## Greeleyism on the Decline.

A report is circulated to-night that the Greeley headquarters in this city would be closed in a few days, after the example set in Washington and Philadelphia.

The managers deny the truth of the report, but intimate that they may seek cheaper quarters, and close all business now transacted in Grynham, St. Nicholas, and Spangler hotels. Two more clubs, one in the Sixth, the other in the Eighth Assembly District, have been organized for Grant and Wilson. In the Seventeenth Ward, one Greeley club has dissolved, and another will consolidate with the Grant and Wilson club already organized.—N. Y. Cor. Cin. Gazette.

## More Thieving.

Yesterday morning early, a man from Morristown, whose name we failed to learn being too intoxicated to navigate with any degree of certainty, leaned against a pavement, and was so found by a policeman, who assisted him from the side of the street to a secure place, where he proceeded to sober off by sleep. Unfortunately for him, some one wished to know the time of day, and not wishing to wake him up, helped themselves to his watch and chain. He has been ineffectually engaged in looking for it all day.

## EASTERN DIVISION FAIR.

## A Field Day at the Fair Grounds.

## Examination of Stock and Lively Competition.

## The Grand Display Seen by Thousands.

## FOURTH DAY.

With each successive year the interest in the exhibitions of the industrial and mechanical resources of East Tennessee has increased in a marked degree, while the improvement has been equally noticeable.

The entries have likewise increased in proportionate ratio and the steady advance in appreciation is one most gratifying to every one who desires the material prosperity of our section. Our recuperative powers in this respect would be clearly demonstrated by the fairs held, if nothing else, and they are recognized as a sure indication of the energy and wealth of the section wherein they are held.

The attendance on yesterday was far in excess of any previous day, thousands of persons being present on the grounds, while the building was crowded.

The various committees having carefully examined the entries in their several departments affixed the blue ribbon, when the owners of the same reported the fact and their names to the Secretary and the fairness of their decision, merit being the test in all cases, was a gratifying fact. The fortunate were pleased, of course, while those who were unsuccessful determined to try again. The ribbon system worked admirably and facilitates the labors of the Secretaries greatly.

## SPEED RING.

Trotting race, 1 mile, 4 years old, three entries.

S. M. Lackey enters b. m.

R. S. Payne enters b. g.

E. J. Walker enters b. g. under the saddle.

All started at the word; Lackey's bay leading, but was passed in the first quarter by Walker's horse; but before the half mile post was reached, Payne's black had

warned to his work, passing his competitors and distancing them, Walker falling behind and coming in third, his first effort being only a spur. Time, 3:30. Premium, \$25 00.

The second race, for 1 mile, 2 best in 3, four years old, running, for Society Premium of \$50 00, three entries. Robert Wood enters b. filly, Jos. Guthrie enters "Little Billy," J. A. Mabry enters s. h. "Eland."

First heat won by Eland. Time, 1:54.

Second heat Guthrie's horse withdrew, leaving only Wood and Mabry, which was won by Eland. Time, 1:50.

The interest of a large number centered in the

STOCK DEPARTMENT,

where the various animals were passed on and the distinguishing badge affixed. The labor was arduous and trying to the committees, but the list being so large the examination of some of the departments was not completed and the time was extended until this morning. For the same reason it is impossible for us to give a full list. We publish the following, however, as having received the "ribbon."

Branner, of Mossey Creek, Jefferson county, Tenn., took the sweepstake Premium of \$25 00, for best Boar of age and size, or breed; and the premium of \$20 00 for the best Berkshire Boar over 12 months, and the Special Premium of a pair of Southdown Sheep, valued at \$50 00, making a total of \$95 00 in premiums. Bob Lee the 2nd is 141 months old, and weighs about 500 pounds.

Bob Lee, 2d Berkshire Boar, bred by Mr. Bedford, of Kentucky; Sired by the celebrated boar, "Bob Lee." Owned by Mr. Pryor, of Bourbon county, Kentucky, and out of the sow, "Jennie Lathrum." Sold by Mr. Bedford to Mr. Read, of Tenn. Same sow now owned by Mr. Williams, of Jefferson county. The sire and dam of "Bob Lee" and also of "Jennie L." were imported animals.

W. F. Lenoir, of Loudon county, took five premiums for hogs of this breed.

## BUTTER.

The center of attraction at the fair yesterday was around the stand containing some sixty cases of butter, entered for the special premiums, among which is the splendid stove "Fashion," offered by Hoxsie & DePue, for the best five pounds butter. This was the finest display ever seen in East Tennessee, and required some hours for the committee to decide. Mr. T. Tomlinson, of Hawkins county, got the first prize, in all, worth about \$60. We hope the liberality of Messrs Hoxsie & DePue will meet with that success worthy of their enterprise.

In Mr. T's premiums are included a pair of elegant butter knives, manufactured expressly for the purpose, of coin silver, by Hope and Miller, the popular jewelers and manufacturers of silver ware. These knives can be seen on exhibition in their collection, which is very fine. These gentlemen have acquired a reputation for excellence in their line which is widely known, and which they well deserve. Their very liberal premium was eminently appropriate and the winner should not suffer them to be used on butter inferior to that which gained them.

J. Kelly Ault took the second, \$20 in gold.

G. W. Palmer, of Saltville, the third, \$15 50 in gold.

Mrs. W. S. Kennedy, Knoxville, the fourth, \$7 50 in gold.

W. A. Lenoir, of Loudon, the fifth, \$5 in gold.

## OTHER PREMIUMS.

J. M. Love took the blue for the best barrel of flour made at the Trio Mills, in this city.

J. C. Edwards, of Waynesville, took the blue ribbon for the best cheese. Capt. J. E. Raht, of the Ocoee dairy, the red.

In poultry W. B. Adkisson received the blue ribbon for Black Spanish, Leghorns, Bantams and the best and largest variety.

THE GRAND PARADE

of the Knights of Pythias and the tournament will take place this morning, which will have an additional attraction and will interest the ladies, especially. The College Cadets will also visit the grounds this morning, under arms.

The races will have an interesting feature, among which are the three mile dash for all ages for the \$101 premium; the trotting race, two mile dash, for all ages, \$50, and a race for untrained saddle horses, one mile, for the premium of \$20.

Eldridge & Hawley's display was remarkably fine. They show two buggie and a lady's phaeton, which, for workmanship and finish, cannot be excelled in the State.

Additions are still being made in the ladies' department, in which we noticed a beautifully mounted fire screen, exhibited by Mrs. W. J. Ramage.

Dr. M. W. Sherry, of Chattanooga, exhibited specimens of penmanship.

Col. H. B. Yearwood, superintendent of the stock department, has performed his difficult duties, in the most satisfactory manner, in which he has been ably seconded by Jacob Doyle, Esq., whose position was far from being a sinecure. The selection of these gentlemen by the Society was a wise choice and ably have they sustained the trust.

We might extend the list indefinitely, but want of space compels us to forbear. The exhibition is magnificent and will long be remembered.
